

Villages benefited in Mundgod Taluk, Karwar District:—

1. Chigalli
2. Kanvekatur
3. Mudsali
4. Alhalli
5. Hirehalli
6. Hoskop
7. Hosoni
8. Kavalkop
9. Salegaon
10. Ajjihalli.

(b) & (c) These villages are situated above the channel and on the other side of the ridge. It would involve heavy cutting to take water to these lands and hence the proposal is not feasible. Besides, there is just sufficient water for the atchkat now proposed and there is therefore no possibility of extending irrigation.

EXTENSION OF THE FEEDER CHANNEL OF NEERALIGI TANK IN HANGAL TALUK.

Q.—29. Sri B. R. PATIL (Hangal).—

Will the Government be pleased to state:—

(a) whether they intend to take up the work of extending the Feeder Channel of Neeralgi Tank in Hangal Taluk, Dharwar District, upto Hadarageri and Haravi to irrigate the lands of the said villages;

(b) the action Government proposes to take in the matter?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(a) There is no such proposal at present as it is not contemplated in the sanctioned Project.

(b) This proposal will be considered after working the Project for a few years and if it is found that there is still surplus water available after satisfying the irrigation requirements of the area contemplated under the Project.
